Pittsburgh Symphony Orchestra Community Partners Concept

Conceived as an annual collaboration with Pittsburgh area nonprofit organizations, the PSO Community Partners Concert celebrates its fourth year of this innovative approach to ticket sales and fund-raising. Patrons earmark the cost of their ticket purchase to benefit the participating nonprofit of their choice. The PSO donates the orchestra services and secures corporate sponsors to underwrite out-of-pocket costs associated with the guest artists and concert production. Proceeds from the concert are distributed among participating partners. This season we welcome back the PSO Community Partners Honorary Chair, **MAX STARKS** of the Pittsburgh Steelers.
